

What we do...

Pennington County Search and Rescue (PCSAR) was established after the Rapid City Flood of 1972. We work under the Pennington County Emergency Management Office as a volunteer organization.

PCSAR responds to calls for fire support, dive support, vehicle extrication, vertical rescue, mass casualty, and search.

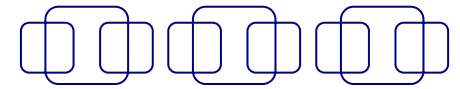

PCSAR works with dog teams in and around South Dakota during searches. The opportunity to work with these teams during training exercises helps us better serve the community during emergency situations.

Please join us for the 2008 Search Dog Exercise!

2008 Search Dog Exercise

Pennington County Search and Rescue is hosting the 2nd Annual Search Dog Exercise from April 18-20, 2008. We will be working in the Sheridan Lake area, just west of Rapid City, in the Black Hills of South Dakota.

Dogs and handlers will have the opportunity to work a variety of scenarios, including aged trails, multiple victim trails, air scent problems, and cadaver problems.

Handlers will also have the opportunity to observe other dogs and handlers.

Come join us for a weekend of lost victims and fun!

SAR Dog Activities

We will have several activities you and your dog can participate in, as well as working trails and problems catered to your dog. Below is a list of activities we have planned. Please let us know if you have any other special requests. All trails and problems will be set up per your request.

Trails

We will have trails set up to be worked throughout the weekend. The age of the trails will vary from 20 minutes to 24 hours, as desired.

Air Scent Problems

We will have air scent problems set up to be worked throughout the weekend.

Flying Dogs

Dogs and handlers will have the opportunity to fly with the SD Civil Air Patrol.

Article Search

Article search problems can be set up throughout the weekend, per your request.

Cadaver

Cadaver search problems can be set up throughout the weekend, per your request.

Night Search (weather dependent)

We will have trails and air scent problems set up to be worked after sunset. The age of the trails will vary from 20 minutes to two hours.

Camping

The Incident Command Post will be at the South Marina at Sheridan Lake. Camping is available at no cost. There is a paved parking area for campers and lots of room for tents. (We will have a block of rooms available at a local hotel at a discounted rate as well.)

BBQ

Friday night we will be barbecuing hot dogs and hamburgers and will have all the fixings to go along.

How to sign up:

If you are interested in participating in any of the events, please contact Tammy no later than April 10, 2008:

Via e-mail:

legendsdaughter@hotmail.com

Via phone:

(605)484-7279

Please let us know of any special requests, types of trails or scenarios you would like to run, and the activities in which you would like to participate.
